Oh, silence surges 'round and falls,  
There countless adolescent feet  
Once pattered through the musty halls  
Now hushed in order too complete.

The grim-walled classrooms hear no more  
Staccato steps of hurried "lates",  
But on some bleak and windlashed shore  
A dreary gun reverberates.

Perhaps in turquoise ocean lands  
That know no need of stars or sky,  
Or under restless shifting sands  
Trapped in a dreamless sleep they lie.

Hush. then! They die to pay our debt,  
Their faces strangely young for pain—  
This is their Cenotaph! So let  
The reverent stillness fall again.

# Foreword

---

---

THIS publication is dedicated to the graduating students for the year 1944-45 of Central Collegiate Institute. Perhaps there are many who feel that they have completed their education.

Graduating from High School is indeed an important milestone in a person's life, but at the same time there are many much more important milestones ahead.

In the field of education one must realize that even after High School it takes from eight to ten years to obtain a Ph.D. degree. If you go on to University you will begin to realize how big a field lies before you. There are many things which have to be discovered, and there are many things that are discovered concerning which we know very little.

In this highly specialized life it is essential that one obtain a higher education, and perhaps do some research in some psychology or science that will lead to the discovery of some information which will be of benefit to the world at large. Furthermore, one needs a very good education to enter this complex world and meet its problems, its successes and its failures.

We have just completed a second phase of the World War Two. One more phase to go. But even after the third phase has been completed, what will we have achieved? The achievement that we obtain at that time, whatever it may be, will depend to a large extent upon the intelligence and foresight of those forming the Peace Treaties, and what is more important, the understanding of the people that will compose the world in the next thirty or forty years. If these people have not got the understanding and the patience then undoubtedly we will be in another world war.

Consequently, it is the duty of this graduating class to obtain as much understanding as they can and go forward with good hearts and good understanding to do what they can to contribute to the general good will and peace of this earth.

TODAY we have come to another milestone in our lives. It marks the end of our happy days at Central, and of the days that were not so happy. We are glad to go, and there is not the shadow of a doubt that our instructors are glad-er still to see us go!

We must bid farewell to the pleasures of the past, the happiness we shared. Those memorable hours of fun and laughter, sports and entertainment will never live again except in memory. Together with the nights of careful preparation and diligent endeavor, this somewhat sweet confusion has slipped into the realm of yesterday and though the future, too, holds calms and storms alike, we will have the sunshine of our friendships that we have made, to cheer us on our way.

Our ways must part, but deep within our hearts rests the hope that we will sometime meet again. Looking back we are grateful

for many things. We have learned the great importance of responsibility, the advantages of honesty, and the great need for co-operation. We have learned the importance of poise, clear judgment, and above all, a sense of humor. Today we forget all of the vexations which we have experienced, for it is the memory of the happy hours which we take with us. We are grateful for these hours, for we have been happy here. When we first gathered here three years ago, before us was a new experience. We were a little uncertain and afraid. Under the expert supervision and discipline, which was far from harsh, we have learned to shoulder our burdens; to accept responsibility. We have become aware of the world we live in and the important part that we are to play in solving its many problems, for never before in the history of this world has so much depended on our youth. There is a job to be done; let us do it well. Let us do our job triumphantly, holding aloft the torch of Central—"Lux Sit."—"Let There Be Light."

As we leave these old familiar halls the memory that will be with us longest is that of our comrades, heroes of our times. Over six hundred young men and women from Central have gone forth to fight for freedom and democracy. Many have paid the supreme sacrifice in fighting for a better world—a world free from wars, free from aggressor nations, free from fear. Let us who follow after, profit by their deeds and make the future the living, moving glory of their dreams.

"For I dipt into the future, far as human eye could see,  
Saw the Vision of the world, and all the wonder that could be;  
There the common-sense of most shall hold a fretful realm in awe,  
And the kindly earth shall slumber, lapt in universal law.

—ROSALIE DINZEY.

THERE is an oft-quoted saying to the effect that "All good things must come to an end", and it is of this that I am reminded when the time nears for me to leave Central. For we have enjoyed ourselves here, you and I. For almost three years most of us have studied in the same rooms, been taught by the same teachers, and have failed the same exams, and now that contact ceases. When I first met you, my fellow students, in Grade Ten, we had a lot in common. We were fresh out of Junior High School—extremely proud of having passed our first set of departmental examinations, and with our minds full of the glowing prospect of a High School career. We wished to be exposed to a certain amount of education; not so much as to cause discomfort, but a little, and, what was more important then, we wanted to take in all the High School dances.

Here, however, under as fine a staff of teachers as may be found in Alberta, we have learned, at least a little bit, how to work. These teachers, with more patience and understanding than we have given them credit for at times, have endeavoured to show us the way to a free-thinking, better-living world. And I am confident that this Central graduating class of 1945 will prove that it has availed itself of this teaching as well as our predecessors here have done.

Another invaluable gift that Central has given to us is a spirit of fair play. Whenever Central's teams have gone onto the basketball court or rugby field, they have gone out to play hard, at times to play rough, but always to play fair, and our student body has made evident our pride in our athletes by its spirit in turning out to the games.

Lastly, at Central we have gained an irrevocable spirit of comradeship that will be hard to equal in any university. An institution that can have no hard feelings between teacher and student, even when said student has been "excused" from class for a few days, is worthy of praise indeed. This comradeship, also between student and student, has been evident in its most buoyant form at the track meets, and shows itself in a way that you all know well.

The sixty-four of our comrades, who were our seniors at Central have shown us the real worthwhile things in life—these sixty-four who did not think the cost too great when they gave their lives in this great struggle so that we who follow them might have a better world to live in, and to work for. Their ideal of service and sacrifice must inspire us to give our best in whatever part we play in the days that lie ahead.

## *In Appreciation*

---

---

ONCE more, the *Analecta* has been completed, and needless to say, the staff and I hope it meets with your approval and comes up to your expectations. It has been an honour and a privilege, and a pleasure, to work together with, and for you students of Central High School.

I thank all members of the *Analecta* Staff, who co-operated magnificently in the publishing of this Year Book, which is a concise record of the activities during the past year in Central High. I thank, too, Mr. Weir and Miss Kaulbach, who rendered assistance which proved invaluable throughout the year.

This *Analecta* might be termed a Victory edition, for on May 8th of this year 1945, the victorious Allied Forces, after nearly six years of war, defeated the Germanic hordes who twice in the past generation have ravaged Europe with the grim horrors of war. There is more war to come, but we all share a glorious hope that the Asiatic barbarians will soon be conquered, and democracy once more restored upon earth, this time to remain forever!

In conclusion, I dedicate this *Analecta* as a humble tribute to all the gallant Canadians who gave their lives that we might share the glory of a world at peace.

—DONALD DUFF,  
Editor.

## CALL OF THE PRAIRIE

I must away to my horse an' saddle,  
An' clean off the rust from my tarnished spurs—  
Shake off the dust gathered thick on the bridle,  
An' gallop away from the pines an' the firs.

For I'm sick for the tang of the windswept prairie,  
My heart is aflame for the camp fire's glow;  
I long for the lariat through my fingers,  
An' the pure delight of a perfect throw.

No timber wolf calls like the coyote's howlin',  
The close of the forest is heavy an' wet—  
An' if I don't leave I'll go loco yet.  
I'm stealin' a horse tomorrow mornin'—

I'm strappin' my "Peacemakers" low on my thigh—  
An' I'm goin' to see the roll of the prairie  
An' the dark red dawn in the Eastern sky.  
An' hear the low of the branded cattle,

An' ride in the rodeo, shine or rain!  
For the call of the prairie is wild in my heart's blood—  
An' I'll have no peace till I'm back again.

—J. W. Jackson.

# Council

## Students' Council—1944-45

The Students' Council was late in starting this year, but once under way, proved a very efficient organization. Student identification cards were issued to those students desiring them. As yet the cards have gained little for the student except a slight reduction in admission price to basketball games and Sat-teen, but the Council hopes that this year may see at least the start in student rates. The Council obtained sweaters for the Girls' Basketball Team, and presented Letters to the Lettermen.

The "Track Jive", held on June 1st, was sponsored by the Council and was a success.

One of the most important amendments made in the Council Constitution was either boy or girl of Grade XII can now run for the position of President and Vice-President. A committee was set up during the school term responsible for making arrangements for the election of Council members by November 1st of the following term.

## *The C.C.I. Weeper*

Year by year, Central's school paper gains in interest, prominence, and circulation. This year the Weeper had a circulation of over 500, which was certainly a high percentage of the student body.

Lois Hill, as editor, did a very fine job, with up-to-the-minute editorials and interesting feature stories.

A cover bearing a picture of C.C.I. did much in brightening up the paper and was appreciated by the students.

Of special note were Bev. Kirby's Art on the back cover of the paper, also Mildred Shouldice's brilliant features.

Columns by Don Duff, Jim Campbell, and Doreen Burrows added to the paper's interest.

Thanks to Mr. Wm. Jones, who in his capacity as advisor, did a very fine job. This was the Weeper's fifteenth year of service to Central High School.

### Miss Canadas

For the past seven months attractive Miss Canadas in uniform have canvassed Rooms in Central to sell a grand total of \$2,181.25 in War Savings Stamps for the year.

On November 17th, \$211.75 was collected; December 15th, \$452.50; an all high total for the year; and Rooms exceeding \$30 were dismissed early. January 19th, February 16th, March 16th and April 20th brought in \$338.00, \$420.75, \$311.00 and \$210.50 respectively.

In the last drive, held on May 18th, Miss Canadas collected \$236.25, bringing the final total to \$2,181.25.

Under the able leadership of A. J. Oliver, convener, and Lois Greenfield, assistant convener, the wonderful results were made possible. They wish to express their thanks to Mr. Weir, and the National War Finance Committee for their splendid assistance, and thanks to the students who by their wholehearted support rendered these magnificent totals possible.

## FRESHMANS' FRIDAY . . .

This was Central's first dance of the 1944-45 season. It was a grand success, with the Boys' Hi-Y really backing up the efforts to entertain the freshmen, with Baldy Tomlinson as the jovial Master of Ceremonies. George Morrison demonstrated the art of the Indian Clubs, Glenn McCullough entertained at the piano, and Don McWilliams and Arnold Murray gave solos on violin and flute respectively. Jack (Fritz Kreisler) Smith and his bow tie were superb on the violin.

Bill Wheatley, Bernie Burnand and Don Love presented an amusing skit taking place in a courtroom, and Helmer's de Harmoneers with "Fats" Mulloy on the piano really murdered the recent song hits.

Dancing followed the interesting and entertaining program presented.

## HI-Y HOP . . .

On Friday, February 5th, the Girls' Hi-Y gave us the Hi-Y Hop. Miss Gwen McDonald was our happy Mistress of Ceremonies. The boys of the school modeling as girls, gave us a most interesting fashion show. They tripped daintily across the stage, pirouetted, posed, and cast bashful glances at C.C.I. wolves in the front rows. Lots of laughs were supplied and the costumes were certainly "originals". A dance followed.

## ANALECTA SHAG . . .

The Analecta Shag was presented by the staff of the Analecta. The after-four shags didn't seem to draw such good crowds this year, though. If all the people who stood at the sides of the assembly hall and drove those dancing into stage fright would get out on the floor and dance, shags would increase in popularity. The music was very good despite the fact that the boys who worked the P.A. System were swing fans and kept playing "jive platters". Everyone seemed to enjoy themselves, however.

Beth MacGregor, assistant editor of the Analecta, acted as Mistress of Ceremonies.

## "9/7" FLOP . . .

March 28th was the night of the after-four shag put on by Rooms Nine and Seven. The fact that they were over pessimistic in naming their dance, was shown when a fair crowd turned out to dance and enjoy themselves.

## TRACK JIVE . . .

Following the Track Meet, held on June 1st, a very successful dance-party was held in the Auditorium of Central High. Sponsored by the Students' Council, the dancing was preceded by a very enjoyable talent program. This, the last school dance of the year for the non-graduates, was exceedingly well attended, and much enjoyed by all present.

## **THE GRADUATION DANCE . . .**

This was held June 5th, under the auspices of the Home and School Association. The expenses of the dance were paid for by a Bridge and Whist Party, held some time previous by the Association. Only Grade XII students were eligible to attend, but they were permitted to bring outside friends.

The affair was an unqualified success and many thanks are due to the Home and School Association. Graduating students will remember this dance as one of their cherished memories of their years in Central High.

## *Assemblies*

## **REMEMBRANCE DAY SERVICE . . .**

This Service is held as close to Remembrance Day as possible, and is a truly lovely service. This year it was held on November 10th. Thoughts were on the many heroic Central boys in this war, sixty-four of whom have given their lives. Bishop Ragg addressed the assembly, stressing the importance of education in the post-war world.

Our petite school singer, Miss Jean Patterson, sang "Oh God Our Help In Ages Past". Members of the Cadets paraded in their uniforms.

## **SEVENTH VICTORY LOAN . . .**

One of the most interesting speakers that Central has had in a long time was Reverend B. Green of London, Eng., who spoke in aid of the Seventh Victory Loan Campaign. His talk was extremely witty, and to the point. He gave examples of the courage and fortitude of the British people during the London Blitz. The Buzz Bomb was explained as to its construction and damage created by it. To illustrate, he said that as many homes were flattened in Great Britain in three months as there are homes in the City of Calgary. He made war seem more real to the students of C.C.I.

## **SCHOOL AND ART . . .**

Mr. Hazard, one of Canada's outstanding artists, gave a talk to the Art Classes of Central High School. He demonstrated his keen sense of beauty and color on the stage, by means of chalk drawings, one of which he would finish in less than five minutes. His scenes depicted Canadian landscapes in the various seasons. He left his three drawings with Miss James, and they were later hung in the hall on the main floor.

## ELECTION DAY . . .

Mr. J. W. Churchill introduced the candidates for Presidency to the school assembly, Monday, January 22nd. Both of the boys aspiring to be President were very evenly matched regarding qualifications, as Bob Watson was Council Treasurer last year, and is a member of the Boys' Hi-Y, and plays Interscholastic Basketball; and Ron Fox was also a member of the Council last year, and plays Interscholastic Basketball.

Bob's speech was witty and quite short, while Ron's speech was longer, during which he gave an outline of his plans should he succeed to the Presidency.

On January 24th, the students of Central voted. Tension ran high, as the boys were so evenly matched no one had any idea as to the final outcome.

Ron Fox of Room 2 was elected President of the Students' Council for the 1945 term.

## SCHOOL SPIRIT . . .

On Monday, March 5th, Mr. J. W. Churchill gave an inspiring talk to the Grade Tens of C.C.I. on School Spirit.

Mr. Churchill told them that school spirit took a time to build up, but could be very quickly broken down. School spirit is a summation of all the things that all the pupils that ever attended a school, have done for the school.

Mr. Churchill used Notre Dame as an example of a college world famous for its school spirit. Knute Rockne, coach and player, and George Gipp (the Gipper) as examples of those who through their own school spirit raised that of Notre Dame's to world prominence.

"Central has many heroes. Many boys have left the school-boy ranks for the ranks of the fighting men in their Country's service. Many have given their lives. When the call for Track comes out, show your school spirit by answering and putting forth the best in you. Then I will know that you have caught the real spirit of C.C.I."

## ON TRACK . . .

On Monday, April 9th, the day following the Easter holidays, Mr. J. W. Churchill gave an inspiring pep talk on preparation for track. He urged all boys and girls to try out for track, and even if they were eliminated, they had the satisfaction of having tried. Mr. Churchill cited Neil V. German, Rhodes Scholar from the U. of A. for '40 as an example of a truly great ex-Centralite. The talk was enjoyed by all, and served its purpose, as this year's track list was the largest in recent years.

## **PARENT'S NIGHT . . .**

April 20th was Parent's Night at Central High School. The evening opened with "O Canada". Ron Fox, our capable School President, acted as chairman. Mr. Carter directed the School Choir in a beautiful vocal selection, June Arney gave an agile tap dance, Schubert's String Quartette was played by Laurence Hobson, first violin, Allen Thamason, second violin, Catherine Cushing, viola, and Don Palmer, 'cello. Lorraine Gilmour sang "Carissima" very nicely. The tumbling display was next on the program, with the boys and girls going through their rolls, loops and pyramids with dexterity, under the direction of Miss James and Mr. Hackett. Jean Patterson sang selected songs for the parents, for a school function would not be complete without Miss Patterson's lovely voice.

The play, "How He Lied to Her Husband", was given a dramatic rehearsal with George Scott playing the amorous lover with enthusiasm; Jim Adams was the irate husband, and Katie Jones the wife. Jessie Pilkington played the maid. The play, directed by Miss Kaulbach, went along at a fast pace and was very amusing.

"God Save the King" ended an enjoyable and successful Parent's Night.

## **VICTORY DECLARED . . .**

Shortly after eleven o'clock on May 7th, a school assembly, which will be long remembered by the students of C.C.I. was called. As the students filled the hall, voices were happy and eyes shone. The news of official "V-E Day" was announced by the principal, Mr. F. D. Weir. A prayer of thankfulness was led by Mr. Pulleyblank, followed by a short and inspiring talk by Mr. Churchill, one which brought tears to many eyes.

One minute's silence was observed and students' thoughts were of fathers and brothers, sisters and relatives overseas, but soon to come home now, and of the ex-students of C.C.I. who had answered their country's call. When "God Save the King" was played, voices rang joyfully out for hearts were happy—Right had triumphed.

## **AWARDS DAY . . .**

In early June, a very colorful assembly was held, honoring students who, during the past year, have contributed to school life and have done their part in bettering school spirit. Fourteen Lettermen and eleven Letter-girls were awarded with "Block C's" and pins respectively. Athletic Letters were presented to the three outstanding athletes in Grades XII, XI, and X by the Kappa Kappa Tau Fraternity. The Murray Law and Frances Woolverton Memorials and the various team trophies were presented. This was the finale of school assemblies, and one very much enjoyed by all the students.

## *The Home and School Association*

Working on the assumption that a parent attending the school in any capacity, is a parent interested in the school and its students, the Home and School Association, under the able guidance of its President, Mrs. E. H. Dinzey, her executive, and with the co-operation of Mr. F. D. Weir and his staff, put forth a very splendid effort this year in promoting programmes that not only would bring out the mothers, but also the fathers. The two Parents' Nights were more than successful, the first being held in November, with movies, an interesting talk by Dean Smye, refreshments, and the presentation of the Fifty Dollar Scholarship and framed certificate to Miss Georgina Yule. The second Parents' Night was equally successful in a different kind of way—this time the students' talents being to the fore, with tumbling, vocal and musical selections, dancing, and ending with a very delightful and entertaining play. Afternoon meetings were also held during the year with various programmes, the highlight being the talk by Mr. D. W. Clapperton on "Proposals at Dumbarton Oaks".

The yearly Bridge and Whist was held in February, and as usual, proved not only a financial success, but another friendly get-together for the parents and teachers.

Finally, as a very fitting close to the year's work of the Association, the Graduation Dance was given to the students of Grade Twelve. A good orchestra, plus "lots of eats", made a pleasant contrast to the hard work done by the students during the year, as well as a farewell to those who will leave the school for other fields of endeavor. Mrs. E. Simon and Mrs. S. R. McCullough were the convenors of this successful event.

★★★

## *School Choir*

The Central High School Choir is composed of members chosen from the C.C.I. Music Classes. The Choir appeared this year at various school functions, such as the Scholarship Awards program, and Home and School Association functions. A radio program was also given during the term. The final event of the year was the performance at the School Music Festival in May.

## *Boys' Hi-Y*

As the year 1944-45 draws to a close, the Boys' Hi-Y looks back with pride on having completed a very successful year. Some of the projects the club undertook and put over successfully were the "Freshman's Friday," an introduction dance and programme for the Grade 10's, sale of school sweaters, War Memorial Stamp Drive, helping to further arouse school spirit by having Mr. Churchill speak to the Grade 10's.

The Hi-Y again sponsored a War Stamp Drive for the purpose of raising more funds for the War Memorial. At the end of the drive the club had raised a total of \$250 towards that end.

One of the highlights of the year was the address given to the club by Mr. Churchill entitled "School Spirit and Citizenship". Mr. Ashford gave a very enlightening talk to the club. Mr. Fowler spoke to the club on the Institute of Technology and Art. Mr. Morden addressed the club on "Spiritual Rehabilitation". Fourteen of the club attended the successful provincial conference at Lethbridge.

The club, following a suggestion in Mr. Churchill's talk, has begun plans on two projects. One is a project to make Grade 10's feel at home in Central as soon as school opens next year. The other is to compile an honor role of those from Central who have been decorated in this war.

## *Senior Girls' Hi-Y*

Since its organization in 1936, the Girls' Hi-Y has been under the capable leadership of Miss James and has developed into a very active club.

In the fall, the annual induction ceremony was held in the auditorium for twenty new members. Activities during the year included a party for the new girls in the auditorium, an Alumni Tea during the Christmas Holidays, the annual Christmas party at the Salvation Army Home, marking General Intelligence papers, joint meetings with Junior and the Boys' Hi-Y Clubs, and the sale of Christmas Cards.

The Hi-Y Conference was held in Edmonton this year and several members of the club attended. The year's activities closed with the "May Moonshine" dance held on May 4th, which was very successful.

President, A. J. Oliver; Vice-President, Lois Greenfield; Secretary, Peggy Chambers; Treasurer, Jeanne Engemoen; Gamma Chi Representative, Gwen McDonald; Junior Hi-Y Representative, Betty Fairbairn.

As the Junior Girls' Hi-Y Club has an exceedingly large membership, we have not endeavored to give the names of students appearing in this picture.

This club has been very active during the past year. They gave a Valentine Party for the girls at the Mount View Home, checked coats at school functions, and made quite a showing at the Provincial Hi-Y Conference held in Edmonton on February 21st. They have had as speakers, Mrs. Burkholder and Miss Donna Reynolds.

The season was concluded with a hike at Camp Fairweather.

## Valedictory

(Continued from Page 13)

Soon, however, the time will come when much of this High School comradeship will come to an end, and we shall go our diverse ways. Some of us will go to further our education at University; others, I know, have a rendezvous in the Pacific; still others will go out to carve a niche for themselves in the business world. But no matter if we are studying Chaucer, or fighting Japs, whether we are working on a railway gang or sitting at an office desk, we shall remember our years at Central, and, Central, we shall cherish that memory.

—JOHN R. SMITH.

## DON'T YOU ?

I love to get up feeling fine  
And happy, start to school;  
I love to try hard to obey  
And yet break every rule:  
Chew gum, whisper, laugh, throw dice—  
Who said such pleasures weren't quite nice?

I love to sweat in Algebra  
And tear my hair in Trig,  
I love the Social notes we take,  
The way we feel so big  
When we succeed in bluffing subs  
And yet she knows we're only duds.

I love the smell of H<sub>2</sub>S  
The scream of broken glass.  
I love the ring of the telephone  
Summoning me from class  
To "call" at the office right away—  
I love the way I feel so gay.

Oh, who would change this life of ours,  
These happy days of joys?  
Who'd change our Physics' teacher's glare  
Or the loud guffaws of boys  
Who cause the many class detentions  
(Glowing angels' mass conventions)?

I love tests and studying,  
Staying home nights to cram,  
I love the days we get results  
And pass but one exam.  
Oh yes—one thing not quite so drastic—  
I love trying to be sarcastic.

—Mildred Shouldice.

## **Inter School Christian Fellowship**

The Inter School Christian Fellowship has been an active organization in Central for several years now, and though it is neither a large nor pretentious club, it is by no means inactive, for the past year has been a very successful one. As a unit this club is associated with the I.S.C.F., an association of Christian students in the High Schools of Canada, U.S.A. and elsewhere throughout the world. Closely affiliated with the I.S.C.F. is the Inter Varsity Christian Fellowship with numerous chapters in the Universities and Colleges of our land.

Social activities have included a skating party, Hallowe'en party and several socials with the other I.S.C.F. groups in the city. Our meetings, held every Friday noon, have been centred around Scripture Memorizing with a view to Christian Service, and have proved a help to all.

## *Central Wins Junior Championship*

On the basketball court, C.C.I. had their most successful season to date. The reason for this is shown because of the fact that this was the first year that both Junior and Senior teams reached the finals. Also it was the third straight year in its history that Central teams had won basketball awards. It should be mentioned that the terrific support given the hoop squads was highly appreciated by the players.

This basketball season proved two things: first, that C.C.I. athletes are at least on a par with those in the larger schools and secondly, that our school spirit towards sports is tops.

A fighting, never-say-die Senior Team lost their first four games, then began an amazing reversal of form. Under Mr. Hackett's guidance, the boys started on the comeback trail. From then on, the last year champions showed themselves as likely contenders for the cup. Crescent was the leading team throughout and when Western was eliminated, the hilltop team was expected to polish Central off two straight. The Centralites, however, showed themselves as able opponents and defeated Crescent in the first of a best-of-three game final. They narrowly missed winning the series in the second game. Crescent came through though, and turned the tide to annex the Senior League Championship.

Our Junior boys, showing a fine team spirit, won out in a round robin series after the three teams were all tied up in league play. Don Webber, who took over coaching duties after the third game, concentrated on fundamentals which was very necessary in the smaller league. The never-over-confident Webber turned what was thought to be a mediocre outfit into a first class, championship aggregation. Nevertheless, it should be said that the Juniors had to extend themselves to win. The well-balanced squad came through in last second drives to secure victory. This should be a source of even greater praise to the Junior club, for a championship team is one that can win when the chips are down.

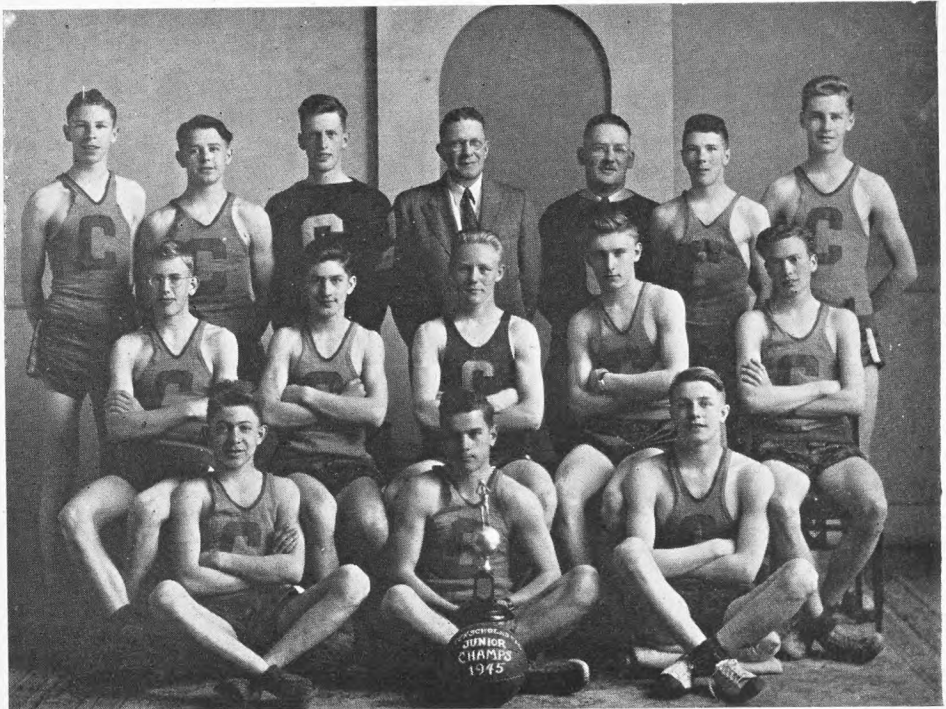

The Eaton Trophy, emblematic of the Junior Interscholastic Basketball League, returned the second time in its history to the halls of Central. After a year's absence, the trophy again returned to the fighting Purple and Gold.

# Athletics

Special tribute should be paid to Don Webber, coach. Don had the foresight to remain with a man to man defence system while both Crescent and Western used a tight zone defence. During the finals the Juniors were thoroughly jeered by the rival supporters because our guards passed the ball between them, forcing the other squad out. This was one of the deciding factors in the team's success.

Captain Bud Milner was the standout performer. His leadership and coolness under fire, plus his outstanding ability, labeled him as one of the most promising players in the Junior League. Keen-eyed Harry Webber and hard-working Rennie Dawson are the other two players deserving honorable mention, playing brilliantly whenever on the floor.

We hope that next year may see the return of the Senior Championship to Central High, and also, we hope, the successful defending of the Junior Championship.

## Summary of Junior Games

**January 12th**—The league officially got under way at Central in an evening doubleheader before 400 fans. The Juniors turned back Western 34 to 22. Milner was the standout player, hitting the Western strings for fifteen points.

**January 18th**—The second game was played at Western with the home team coming out on top with a 14 to 10 score. This low scoring game was a result of a tight Western zone defence which Central was not able to crack. Central also played defensively.

**February 12th**—Central's next contest was against Crescent with a smart hilltop outfit, behind; good shooting, turning our boys back by a 32 to 25 margin. Dawson and Milner paced Central with six points each.

**February 9th**—This Friday evening brought C.C.I. and Crescents together again. Under Webber's skillful coaching they defeated the home team 22 to 20. Harry Webber paced the purple and gold with ten digits.

**February 19th**—This Monday was the poorest display of basketball the kids put on all year. Crescent thoroughly trounced them by a 32 to 17 count. Webber topped the losers' attack with six.

**February 23rd**—Another Friday contest saw the C.C.I. quintet lose to the hilltops 21 to 16. In this see-saw battle, Webber led the losers, scoring parade with six points.

**February 26th**—Central's hardwood was the scene as our boys downed Western 20 to 17. It was a close-checking contest with Milner and Webber hitting the cords for seven and six points respectively.

**March 2nd**—Before a record crowd at Western, the home team nosed out the purple and gold 27 to 22. Our boys were off in their shooting but had most of the floor play. Webber played a stellar game, hitting the twine for nine digits.

**March 5th**—The Central five thoroughly trounced Crescent in a do-or-die attempt to reach the finals. They doubled the score 26 to 13 in an afternoon game played on the Central court. Webber and Milner turned in scintillating performances.

**March 8th**—It was a Thursday afternoon and was the date for C.C.I.'s last league game. This was another must win to enter the finals. Our boys came through in grand style displaying expert ball handling and team play. Webber and Dawson were our big guns with nine and seven counters each.

**N.B.**—Harry Webber was our top scorer with an impressive total of sixty-four points, two behind the leader, Martini of Crescent.

## Junior League Standings

	Won	Lost	Tied	Points
Central .....	5	5	0	10
Western .....	5	5	0	10
Crescent .....	5	5	0	10

As a result of the three-way deadlock a round robin series was necessary. In a round robin series each team plays each other team once and any team winning both of their games takes the title.

On March 14th Western nosed out Crescent 36 to 34, therefore if Western had of defeated Central in the next game the larger school would have retained the cup.

The second crucial game was played at Crescent on Friday, March 16th and proved one of the most thrilling and interesting battles ever seen in the Junior League. Faced with their elimination, the C.C.I. aggregation turned to the offensive and led 18-16 at half time. Our boys also started the final half with a bang, notching four quick baskets. Then the red and white of Western began a return rally. With just a minute to play the score was 40 to 39 in favour of Central. Then Hambrook of Western was fouled and calmly sunk his free throw, tying the game up. This left Harry Webber, who had played a superb game throughout, notching 19 points, to crash through with the winning basket with but a few seconds remaining.

The final game was played on the Western gym before 900 thrilled and excited fans. If the Central five had lost the game, additional contests would have been necessary. The first half produced some of the finest Junior ball displayed, as the well balanced Purple and Gold showing their best form of the season, took command from the beginning and at the half led 25 to 10. Crescent unleashed a terrific attack in the final frame and, displaying smart ball, the hilltop squad tossed the melon around and overtook the Centralites. This was partly understandable considering they played in a gruelling contest the night before. But with 25 seconds remaining, Crescent Heights were on top 42 to 41 with a Crescent player attempting a free shot. He missed however, and Central quickly moved the ball up the floor, leaving Bud Milner the Junior Captain and backbone of the team, to toss in the winning basket on a rebound with about nine seconds to play.

Milner with 16 and Webber with 12, led the scoring parade, but every member of the team, from the captain to the most insignificant substitute, was responsible for the Eaton Trophy to once again adorn the showcase at C.C.I.

## *Biographies of Our Junior Champions*

**Bud Milner—Guard**—As captain of the Junior team, Bud proved himself a capable leader as his playing was a steadying influence on the more inexperienced players. Exceptional player both offensively and defensively.

**Pete Lougheed—Guard**—Pete was a standout performer all year and during the play-offs held opposing high scorers to very few points. His fighting spirit kept the team's confidence very high at all times.

**Harry Webber—Forward**—Harry's accurate shooting almost earned him the scoring crown in the league, and he did win it in the play-offs. A deceptive forechecker and a terror whenever left unguarded.

**Rennie Dawson—Centre**—Rennie played a major role in breaking up opposing zone defences as well as using his height to advantage in snaring rebounds off both backboards.

**Glen Edwards—Forward**—During the year Glen was a good play-maker and could usually take more than his share of rebounds off the other teams.

**Ron Fox—Centre**—Our popular president played a steady defensive game all year. He also came through with baskets at the right moments in crucial games.

**Arnold Murray—Forward**—Arnold was very fast and displayed great team spirit at all times. An unfortunate knee infection forced him to the sidelines for the latter part of the season.

**Arnold Kipnes—Forward**—Kip played a steady game whenever he was on the floor and was a better than average ball handler.

**Bob Campbell—Forward**—Bob was very aggressive and a worry to any opposing team. An accurate shot.

**Eddie Arnold—Guard**—In his first year at C.C.I., Ed was outstanding in his position and should be a valuable player next year.

**Bill Butchart—Forward**—Small and mast, Butch made a worthy contribution to winning the cup. Should prove likely material for next year's juniors.

**Gordon Haight—Forward**—Starting late "Sprit" made an excellent showing in the league. He was a deadly shot from the corner.

**Eddie Whitaker—Guard**—Ed was a hard fighting, aggressive player shining at capturing rebounds.

Back Row (Left to Right)—Jim Allen, Bob Watson, Keith MacGregor, Garth Windsor, Mr. Hackett (Coach), Ross Lawson.

Front Row—Don McIlroy, John Hantho, George Morrison (Captain), Dave Tomlinson, Ian Brown, Stan Bremner.

## *Seniors Lose to Crescent*

Despite the loss of a majority of last year's champions, the 1945 Seniors proved able representatives in the Interscholastic League. The main weakness in the Senior quintet was the lack of reserve strength, which enabled the opposition to overcome early leads.

Stan Bremner was the outstanding figure on the C.C.I. line-up. Stan's basketball prowess can not be over estimated as time after time he led the Purple and Gold's scoring attack. George Morrison, the Senior captain, a member of last year's champs, was another important cog on the Senior five. Other players with considerable merit were Ross Lawson, sharpshooting forward; Ian Brown, lanky guard; Dave Tomlinson, who played a smart game at guard; John Hantho, another hard fighting guard; and Bob Watson, tricky forward.

Crescent .....	6	3	1	13
Central .....	3	5	2	8
Western .....	3	6	1	7

The final standings showed Western eliminated to leave Crescent and Central to battle it out in a best of three game final. The first game was played at Central on March 14th, where the C.C.I. squad played their best game of the season. The lead changed hands many times, with both clubs displaying a fast breaking attack. With little more than a minute remaining, Central was ahead 40-37. Crescent, however, sank three successive free shots to tie the game, 40-40. Then tall Ian Brown became the hero of the evening as the erratical shooting guard plunked in a long shot for two points and the game.

On March 16th the second game was played at Crescent with our boys relinquishing an early lead to let the sharp-shooting C.H.H.S. lads begin a terrific scoring spree and win the game, 64-53.

This tied up the series, leaving the final contest to be played on Saturday, March 17th. This proved to be an off game for our Senior team, as the hilltop squad ran wild, winning the game 67 to 44. Thus, after a year's absence, in which Central held the cup, it returned to Crescent Heights.

## Senior House League

Watson's quintet finally won out in this year's House League, by defeating Morrison's hard fighting squad by 19 to 18 and 28 to 15, in a best-of-three game finals. Watson captured the famous Osborne Trophy, emblematic of Senior House League competition. Morrison had previously outscored Bremner 29 to 24 in a thrilling game to decide the team to meet Watson for the championship.

Watson, who captained his team to victory, also annexed league scoring honours by hitting the hoop for 68 points. In the first game of the finals, big Ian Brown and "Baldy" Tomlinson paced the champs with six and seven points respectively. They also featured in the deciding contest notching ten and thirteen points each. However, it was not the work of individuals but the all-round fighting spirit of all the players which made victory possible.

## Junior House League

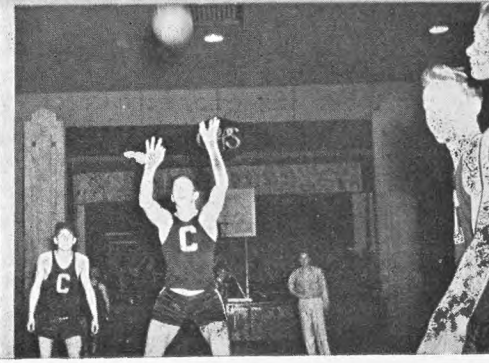

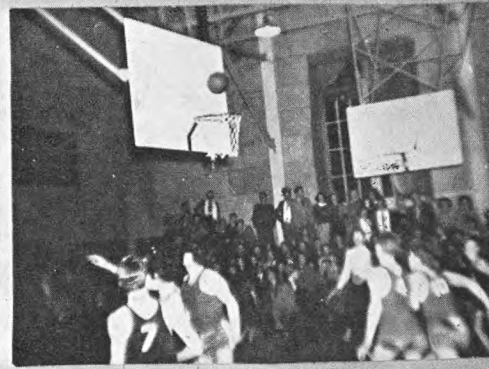

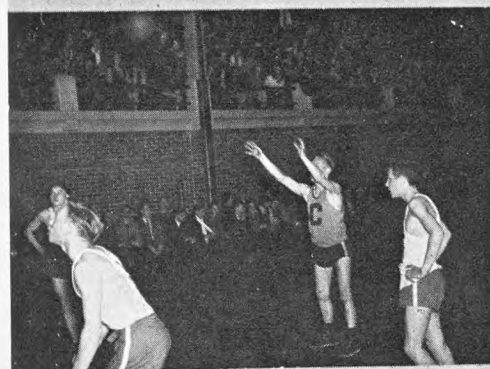

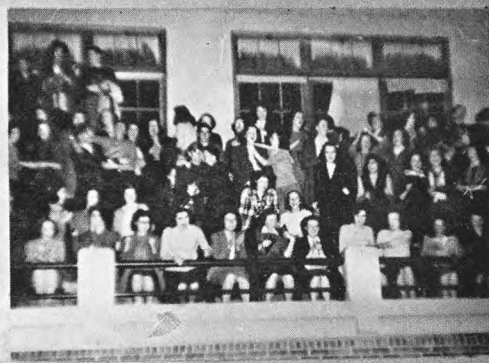

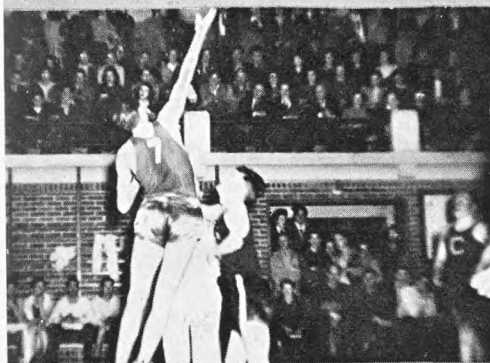

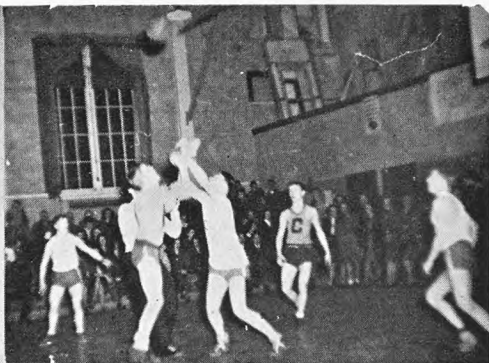

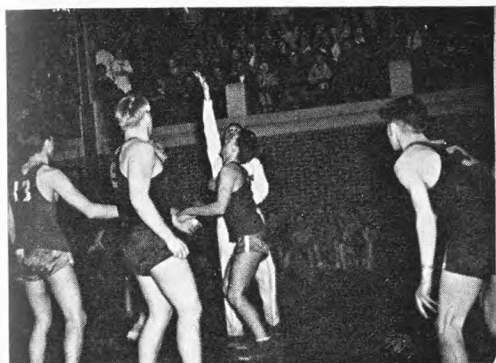

This year's Junior House was composed of four teams, captained by Haight, Clark, Webber and Yearwood. It proved to be a close race for the title with Haight's squad capturing the new trophy, donated by the Kappa Kappa Tau Fraternity, for Junior House League competition.

Haight, by virtue of his standing at the end of league play, received a bye into the finals. Webber battled Clark to a decision in a hard fought semi-final contest to secure the right to meet Haight in the finals. Haight's squad proved to be too good for Webber's quintet, turning them back in two straight games by 32 to 13 and 32 to 23 scores. In the first game, Haight (12), Arnold (10) and Brockbank (10), netted all of their team's points. In the second and by far the most thrilling game, Brockbank dominated the winners' attack, hitting the hoop for sixteen points. Head and Webber starred for the losers with eleven and eight points respectively.

## ***Girls' Basketball in C.C.I.***

The late commencement of school activities last fall resulted in shortening the season for the girls, and the club did not get under way until early in December. No Girls' House League was organized, attention being focused on a successful Interscholastic Team in both the Senior and Junior divisions.

Directed by Mr. J. W. Churchill, whose patience and efficiency in coaching the teams was not exceeded by pointed injunctions, some thirty enthusiastic players turned out regularly in preparation for the Interscholastic League. Plays, combinations and shots were reviewed with diligence. Strategic moves outlined by "chalk-talks" by Mr. Churchill proved very helpful.

The girls were divided into Senior and Junior squads, according to both age and experience; workouts were held every Wednesday after school in the gym, which was reserved for that purpose. The "5-man defence" was probably the most familiar play to the girls when the League opened, but the theory of numerous other moves was equally well known.

After Christmas, George Morrison, captain of the Boys' Interscholastic Senior Team, coached the girls in extra practices Fridays at noon. Other members of the Boys' Team lent helping hands, all for which the girls were grateful. They also wish to thank Miss James for her interest in and aid to the teams during the season.

On February 12th, the Interscholastic League opened. Entering were two teams from Central (one Junior and one Senior), three from Crescent (two Junior and one Senior), and four from Western (two Junior and two Senior). Our Junior girls played eight games, two with each opposing team, while the Seniors contested in six.

Even though in recent years, basketball in the girls' field has decidedly improved at Central, there is still a great deal of room for further advancement. It is a challenge to the girls that our boys have starred consistently in inter-school competition. Remember that some years ago, a girls' team from this school, coached by Mr. Churchill, met the World Champion Edmonton Grads in final games, and although defeated, held their own to C.C.I.'s glory. They were girls just like the ones that course our halls today—no more talented, no stronger or speedier. They simply had spirit and determination. However, spirit was not lacking when the 1945 teams entered the city league. The Juniors finished the schedule quite successful, having attained second place in league standings. Much less flushed with victory were the Seniors, who, because of lack of substitutes and combination, hit the floor of the competition hard. They beat the Western Senior "B" to last place by a small margin.

The games were, on the whole, poorly attended. Next year we hope to give the fans some basketball to which they may really come out and cheer.

## *Junior Girls' Interscholastic*

February 16th, the first match against Western Junior "A's" proved to be a stinging defeat. The score was 35-5. But that did not discourage the girls. After strenuous work-outs, they played the Crescent Heights "A" team at Crescent, and won the game to the tune of 20-10. From then on, the squad reported victory after victory. The only other defeat they suffered was against the same "A" girls from Western, who had trounced them before, this time the margin was smaller, 27 to 16.

Other games ended with scores of 18-11, 17-7, 23-9, 10-5 and 16-9. The Central team finished the schedule in second place, while the Western "A's" captured first honors. Had there been play-offs, there was a good chance of Central taking the cup.

Players on the Junior Team—S. Douglas (Captain), L. Anderson, S. Chernoff, N. Collinge, M. Cross, L. Gilmore, J. Hayton, E. Mair, M. Peele, P. Singer.

Top Scorers (8 games)—S. Douglas, 63 points; L. Gilmore, 31 points; J. Hayton, 19 points; S. Chernoff, 18 points.

## Senior Girls' Interscholastic

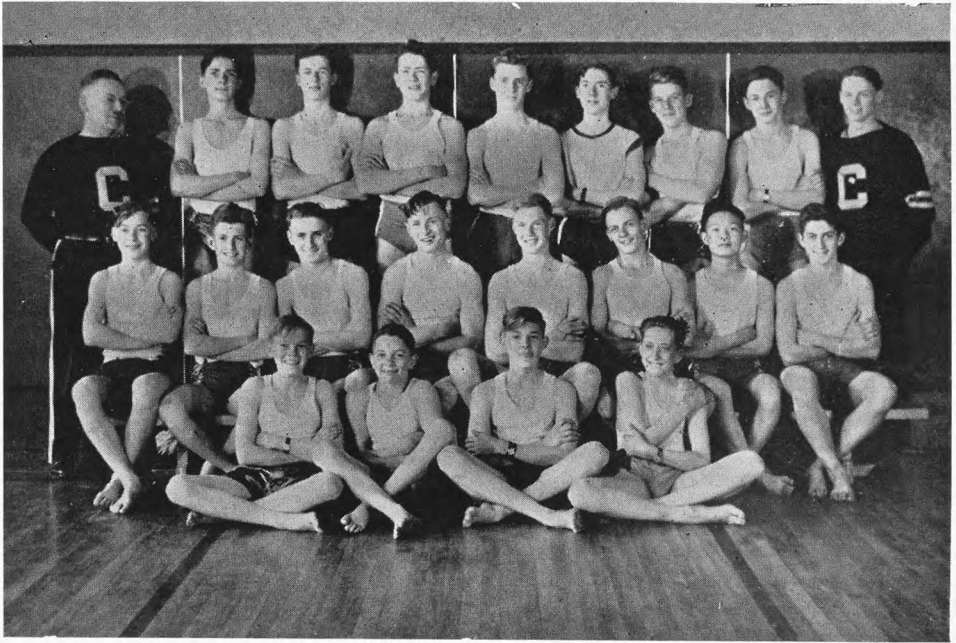

All through the season the Senior girls showed lack of team-play, with, in many games, only one or two substitutes, poor showings were inevitable.

The first game with Western Senior "A's" on February 16th, ended with a 29-5 defeat for our girls. Undaunted, extra practices continued, but the gremlins had their number. At Crescent Heights the following week, they went down by a score of 26-7. Both home games against Western "A" and Crescent were defeats: 36-8 and 33-11. Only against Western "B's" did the Central team hold their own. The first match they lost 14-8, the second one was a 16-16 draw.

At the conclusion of the schedule, our team was in last place; Western "A" defeated Crescent to win first place. As in the Junior League, there were no play-offs after the regular games ended.

Players on the Senior Team—A. J. Oliver (Captain), J. Arney, B. Dubensky, P. Elder, N. Roberts, M. Shouldice, E. Taylor, N. Taylor, P. Tinney, D. Upton, C. Watson.

Top Scorers (6 games)—A. J. Oliver, 31 points; N. Taylor, 14 points; B. Dubensky, 9 points.

**Back Row (Left to Right)**—W. J. Hackett, Bob Brockbank, Bob Dunsmore, Kent Birrell, Rennie Dawson, Randle Iredale, Ed Jakeman, Peter Willson, Ross Lawson.

## Boys' Tumbling Club

The Senior Boys' Tumbling Club, ably supervised by Mr. Hackett, has progressed rapidly throughout the school year, gaining added experience in mat, springboard, and boxwork, as well as pyramid building and balancing exercises.

Meeting every Friday, the boys, in addition to fundamentals, learned more than can otherwise be done in regular P.T. periods.

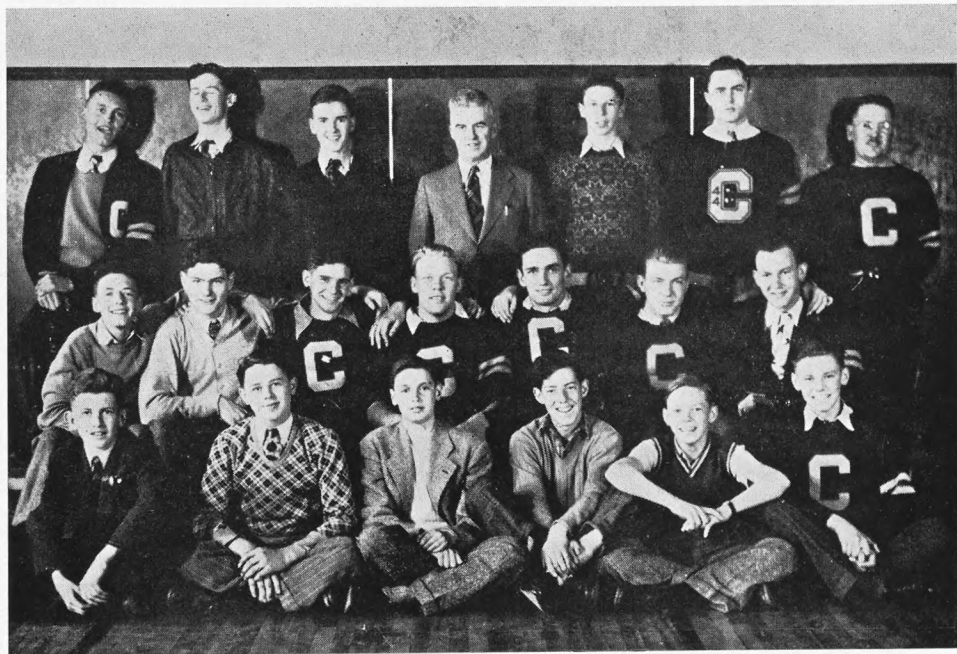

The Tumbling Club and Grade Tens put on a tumbling exhibit before the Home and School Association in April.

Fine talent was discovered in newcomers, such as Ivan Head, Bob Walker, Arnold Murray and Harry Potter.

## Boys' Golf Club

The Central High Golf Club, under the active supervision of Mr. S. Jones, himself a keen golfer, was again very successfully organized this year.

The club was unfortunate in that unfavourable weather forced the club to a late start, but as in previous years, the club conducted three tournaments, held consecutively; the Championship (Match Play); the Consolation Event (Match Play); and the Medal Round Event (Handicap).

Defending Champion Rex North was well on his way towards another Championship, which would make it three in a row, at the time of publication, but there was stiff opposition in the club this year. The club had a membership of thirty-two.

The Executive of this year's club was:

President ..... Russ Powell

Vice-President ..... Rex North

Secretary-Treasurer ..... Ray Tharpe

Committee—George Morrison and Don McIlroy.

As the Girls' Golf Club has an exceedingly large membership, we have not endeavored to give the names of students appearing in this picture.

## ***Girls' Golf Club***

This spring, a new club was started by the sport-loving femmes of the school, in the form of a Girls' Golf Club. With Miss Suitor as its director, the club has enjoyed a very successful beginning. The enthusiastic girl golfers of the school chose as their executive:

President ..... Willa Mack  
Vice-President ..... Gerry Setterington  
Secretary-Treasurer ..... Jane Egleston

The girls were coached by two of the members of the Boys' Golf Club, Rex North and Russ Powell. Rex, himself a top-notch golfer, being School Champion, is a capable instructor, and assisted by Russ, the girls have benefited greatly from their instruction.

The club was divided into two classes, experienced, and inexperienced members. The club has an exceedingly large membership—over fifty—which makes it one of the largest clubs in the school.

There was no tournament held this year, despite the large membership, due to lack of time, experience and golf balls. However, a gala tourney is planned for next year by the girls, who by that time hope to become experienced at the Royal and Ancient Game.

This year a cup, sponsored by the Sigma Rho Fraternity, was purchased and will provide an incentive for future leagues, the winning team members' names being engraved on the cup. ## *Girls' Tumbling Club*

The girl tumblers made good progress this year under the capable guidance of Miss James and the excellent instruction of June Arney and Ross Lawson, who starred in the Boys' Club.

Tumbling Club meetings were held throughout the year in the gymnasium, every Tuesday noon, with attendance ranging between fifteen and twenty every week.

After faithful practising every week, the club climaxed its very successful year with a gala display on April 20th, before the Home and School Association. The display was a great success, and was appreciated by all who saw it on "Parent's Night". It is encouraging to see that the girls of Central are taking a keener interest in athletics this year than has ever before been the case.

The Club had no executive other than Miss James as director, and Ross Lawson and June Arney, who acted in the capacity of instructors.

## ***The Track Meet—1944***

The 30th Annual Interscholastic Track and Field Meet was held at Mewata Stadium on Friday, June 2nd, before over 3,000 wildly excited and cheering high school supporters. It was a day in which the colours of C.C.I. played an important part.

In the Girls' Division, Central tied with Western, each having 59 points. Central also won the Senior Girls' section. The main satisfaction gained in the Meet was totalling more points than Western or Crescent, therefore placing second out of four high schools. In the Boys' Division, Central placed second with 49¼ points.

The individual star of the affair was A. J. Oliver with 15 points making a large contribution toward the Birks Cup for Senior Girls, as well as being the only Centralite to win an individual championship. June Arney topped the Junior Girls with 8 points.

In the Boys' Division, three athletes were predominant in their respective sections. Harry Hobbs in the Seniors, G. Windsor in the Intermediates, and Pete Loughheed in the Junior Section. Loughheed picked up eight points, while Hobbs and Windsor each had five.

## Kappa Kappa Tau

This Fraternity is the oldest in the city and was inaugurated in 1926. Through the years it has gained the enviable reputation of being Calgary's outstanding fraternity. The list of members in the Forces surpasses that of any other club of its kind. Eight members were lost to the Services last year and only three were initiated, leaving the Tau with ten active members, the lowest in their history. Despite this, the season was a great success.

The purpose of this fraternity, unlike most of the others, is to develop a better intellectual training for the members of the Klan as well as giving a willing hand, for the promotion of athletics throughout Central. In this end the Tau has organized an athletic fund to finance the three athletic Memorial Awards to commemorate the memory of Joe Dutton, Tom Barr and D'Arcy Scott. These past members lost their lives while in the service of their country. A basketball trophy was also donated to the Junior House League Champs.

The K.K.T. has completed a very successful season socially and financially. Activities of the year included several large house parties, a hay ride, a party at Shangri-La, a rummage sale, a very profitable raffle, one of the best dances of the year "Varga Varieties", and was highlighted by their Annual Banquet held in the Palliser Hotel in June.

Colors—Gold, Green, Sky Blue

The Eta Beta Pi Fraternity, inaugurated in 1937, received its Charter in 1943, and has continued to advance steadily in both membership and Fraternal Spirit by completing another very successful year.

When you see us three or more  
Strolling through Central's door,  
In our sweaters blue, green and gold,  
Eta Beta Pie. Behold!

Yes, the Fraternity purchased new sweaters this year. They can be seen decorating the halls of Central every Thursday.

Due to the rather evident lack of financial success of Fraternity Dances this year, we did not present our Fifth Annual Pi Pow Wow as a straight dance. However, something new and different in social entertainment is being planned.

As in previous years, the Fraternity held its monthly parties. House parties were held at the homes of Dave Yearwood, Dave Chevalier and Doug Gray. A "Duck Do", "chefed" by Dave Chevalier, was held at the home of Doug Gray and which turned into an all night session.

## *The Central High School Cadet Corps*

The Central High School Cadet Corps was organized late in November under the supervision of Lieut. Hackett. At the beginning of the year the Corps had an enlisted personnel of fifty-five cadets, but during the year dropped to forty-two, which is the present strength.

### **RIFLE COMPETITIONS . . .**

During the year, Central Cadets proved to all other schools that they could shoot, and shoot well. The Cadets entered every possible competition available, and although they did not come first in standing, they chalked up excellent scores. The credit for this improvement is due to one Lieut. Hackett. Well done, Cadets!

### **EQUIPMENT . . .**

Throughout the year, the Cadets were taught the art of handling the regulation service rifle, and before school was over, all Cadets who passed the annual test, fired the Bren, Sten, and Service Rifles at Sarcee Camp.

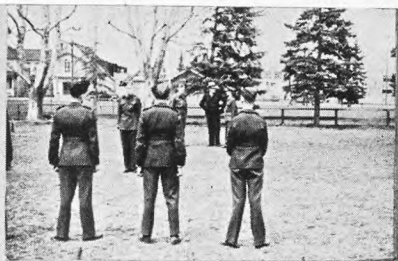

### **PARADES . . .**

The C.C.I.C.C. was again this year affiliated with the Calgary Highlanders (Reserve). During December, Col. Ross presented chevrons to the Cadets. An Inter-Cadet Council was formed among the three Cadet services, and many interesting dances and parties were held.

### **INSPECTION . . .**

The annual Inspection took place on May 18th at the school. Capt. Kerr inspected the Cadets, and complimented them highly on their work and smartness. Capt. Kerr remarked that the Cadets of this school should be and will be the best trained Cadet Corps in the city, if the nucleus of the boys who were in the Cadets this year, will turn out again next year and encourage other boys to do the same.

## CALGARY

A CITY OF WHICH YOU  
CAN BE JUSTLY PROUD

THIS city in which we live is the envy of many a visitor. They marvel at the clear, pure air, with no smoke pall obscuring the sun and putting a coat of grime on our homes and buildings. They note the unexpected number of landscaped plots enhancing their neighborhoods with shady foliage and colorful blooms.

Yes, Calgary is a good city in which to live; your fathers have made it so. It is your duty and privilege to start bearing the responsibilities of citizenship now. Using your influence to discourage the wanton destruction of city property is one way of doing this. Another way is to learn now the form of our city government, for tomorrow you may be directing its destiny.

Reformer—"Young man, don't you realize that you'll never get anywhere by drinking?"

Stewed—"Ain't it the truth? I started home from this corner five times already."

They all laughed when I stood up at the night club. How should I know I was under the table?

Judge—"Do you mean to tell me that man strangled a woman with over 200 people present?"

Witness—"Yes, your honor, everybody thought they were dancing."

Dances are quite different today from what they were years ago. In days of old when a woman had nothing to wear she stayed at home!

Mrs. Jones said to her greengrocer: "Three of those apples you sent me were rotten. I'll bring them back."

"Not at all, madam," replied the greengrocer, effusively. "You needn't bring them back. Your word is as good as the apples."

Two dimwits were sitting on a chandelier, swinging back and forth. Said one—"I am chagrined, sad, and perplexed."

"Why are you chagrined, sad and perplexed?"

"Because my sister just had a baby."

"Well, why does that make you chagrined, sad and perplexed?"

"Because I don't know whether it's a boy or a girl."

"What difference does that make?"

"Well, I don't know whether I'm an aunt or an uncle."

An advertisement for a certain kind of babies' feeding bottles printed in a Canadian newspaper, concluded with the following—

"When the baby has finished drinking unscrew the head and lay in a cool place under the tap. If the baby does not thrive on fresh milk it should be boiled."

"I'm looking for someone to lend me \$10."

"Well, you've got a nice day for it."

The knowledge which the men and women in our armed forces, in our factories and in other war work, gained in the classroom has helped them prepare for the big job of winning the war so that, among other things, our free school system could continue. It's up to you to do your part so that you, too, can carry on the principles of a free Canada.

School days are happy days. Get the most out of them—enjoy the carefree atmosphere. But don't neglect your studies—now they are more important than ever.
